Amr Wahdan

Business development specialist, back-office coordinator, virtual assistant, ACQ. specialist, and a cold caller.

(+20) 106-235-6288 | aaamwahdan@gmail.com

Tech Skills

I have worked with a number of dialers: ReadyMode, BatchDialer, CallTools, and Convoso; and a number of CRMs: RESimpli, GoHighlevel. I am also familiar with websites like PropStream, Zillow, RedFin, realtor.com, and other listing websites. I have good-enough IT/programming skills that allow me to maintain any company software – dialer back-end, skiptracing scripts, etc.

Computer languages

- R – Fair experience & commitment due to a number of college projects.
- Python – Basic scripting and numpy.
- Bash – Great skills from daily use.
- LaTeX– Advanced skills with extensive use due to math background.
- Basic web suite (HTML, vanilla CSS, basic JS, and some static site generators).

Human languages

- Arabic – Native speaker
- English – Native-like speaker (112/120 TOEFL score)

Education

- ***Bachelor of Science, Alexandria Univeristy***
- ***Major in Computer Science & minor in Statistics***

Work Experience

BUSINESS DEVELOPMENT SPECIALIST

Nedialo — Virtual assistant company

December 2024
April 2024

- Reaching out to potential clients and securing new deals.
- On-boarding clients and following up with current ones.
- Driving growth and expanding market presence.
- Monthly average of 16-18 appointments booked; 2-3 on-boardings

COLD CALLER

Teletarget — Tele-marketing company

September 2023
June 2023

- Calling realtors (B2B) and wholesalers about off-market properties & assignment contracts.
- Retained my position as a top achiever (top 3).
- Helped create new camps and revived dead ones.
- Helped stabilize management amid company fracture.

COLD CALLER

Teletarget — Tele-marketing company

October 2022
June 2022

- Calling home owners and gauging selling interest within camp criteria.
- Was a top achiever the entire time there.
- Had a daily average of around 6 leads per shift.
- Was offered a promotion to the QC department.

COLD CALLER

Proper Business solutions — Tele-marketing company

June 2022
March 2022

- Calling home owners and qualifying leads.
- One of select few who got 5+ leads per shift.
- Broke the spell of dead campaigns.
- Was known as the most helpful colleague there.

Certifications

- ***iSkala's B2B Leads Accelerator Certificate***
- ***TOEFL Certificate***
- ***ALX Virtual Assistant Certificate***

Volunteering and Leadership Roles

- ***Egyptian Syndicate of Scientific Professions***: vice head of the public relations committee; responsible for representing the syndicate, brokering new deals, and revitalizing existing ones.
- ***Egyptian Collegiate Programming Contest***: community leader of the faculty of science competitive programming community; responsible for handling all official communications on behalf of the faculty, informing participants about the rules & regulations, and organizing the trip to the contest.
- ***Egyptian Food Bank***: ERP specialist; responsible for tracking supplies, making deliveries, and informing management of needed shipment. I managed lots of excel sheets and helped the accountant there.
- ***Asafra Faith Church***: organizational volunteer helping out with the yearly grand Christmas celebration; responsible for assisting guests, tracking supplies, and taking pictures of the event.
